Peer-graded Assignment: Customer Scatterplot

Submit by Sep 20, 11:59 PM PDT

It looks like this is your first peer-graded assignment. [Learn more](#)

Submit your assignment soon

Even though your assignment is due on Sep 20, 11:59 PM PDT, try to submit it 1 or 2 days early if you can. Submitting early gives you a better chance of getting the peer reviews you need in time.

Instructions

My submission

Your company has tasked you with analyzing your customer's purchases and how much the company is profiting from each customer. Your task is to create a scatter plot showing Customer Sales versus Customer Profit. Furthermore, you will need to colorize your scatter plot by Profit Ratio, size your circles by Discount, add the customer's name to the Tooltip, add a trend line, and add Order date, Segment, and Category to the filter.
